INFORMATION

Make the most of your Heartland 2011 experience by attending product training from AHIA/VGM participating vendors Harmar and Rane Bathing Systems. Each vendor will cover their product offerings in detail, as well as, how to install the products in a home. The courses will take place one day prior to the start of Heartland at the 5 Sullivan Brothers Convention Center (the site of all Heartland courses).

Note: These trainings are included with your paid Heartland Conference registration. Prior to registering for these courses, please take a moment and visit: www.vgmheartland.com to register for the conference.
